# Welcome to St Saviour's, Pimlico

The Christian community here at St Saviour's includes people from a wide variety of ages, backgrounds and lifestyles, and from across the world. We try to welcome everyone and hope that you will feel able to join us at any of our activities.

This summer things are starting to really hot up in Pimlico. We are finishing the restoration of our famous pipe organ (dating from 1870) and we hope that will put us on London's musical map. As well as regular concerts and recitals we are planning some special organ performances, including a few rarely heard organ duets.

Children are very important in our life here and it's a joy to see Sunday School start to take off with *Diddy Disciples*. With the square gardens right next door this is picnic season too - some of them arranged last minute and others more planned such as the Dedication Festival celebration in July when we turn 155.

Please look out for our festivals and celebrations - both those in the church such as the special Evensong for the Company of Servers and the glorious feast of Corpus Christi, and also our wider community celebrations like the SouthWestFest Gala where we serve Pimm's and BBQ food all day.

Wishing you a joyful, festive and fun summer - and hope to see you at something soon.
