The Choir of St Saviour's, Pimlico: Choral Scholarship Scheme Information Pack 2026/27

The Choir of St Saviour's, Pimlico is recruiting four Choral Scholars (SATB) for the academic year September 2026 - July 2027.

About The Choir of St Saviour's, Pimlico

Music is a vital part of the worship and culture of St Saviour's, Pimlico. From the Sunday 10.30am Sung Mass, to our services of Choral Evensong and Benediction, to the weekly Pimlico Lunchtime Concerts, both sacred and secular music enriches the spiritual and

cultural lives of our congregation and visitors. The Choir of St Saviour's, Pimlico consists of four Choral Scholars (SATB), and a number of highly valued volunteers.

Choral Scholarships are renewed annually and are typically held by talented undergraduate or graduate students at London conservatoires or universities, or young professionals looking to gain early career experience of music in a liturgical setting.

This educational position teaches many of the important skills required to launch a career in music, and provides high-quality performance opportunities through which Scholars can develop their abilities and confidence.

Choral Scholars are introduced to a wide range of choral repertoire, from Renaissance polyphony, to 21st Century compositions, whilst improving their liturgical awareness.

Choral Scholars are also encouraged to take an active role in the support and nurture of the volunteers singing alongside them. Choral Scholars will have the opportunity to perform in our thriving Pimlico Lunchtime Concerts series, and it is hoped that they will engage actively with additional commitments such as fundraising concerts and Come & Sing days. Recent concert performances have included Bach's 'Ein Feste Burg' BWV80 and Stainer's 'Crucifixion', with scholars filling the solo roles.

You will be paid by BACS transfer and you are responsible for your own NI and tax payments. Throughout the scholarship period, your status as a Choral Scholar at St Saviour's will be one of self employment and not as an employee or worker. Nothing in this document is intended to create a relationship of employer and employee or worker between you and St Saviour's.

The regular pattern of 10.30am Sung Mass, Evensong & Benediction, and Additional Services amounts to £3,360. Other services such as Cantor Services, weddings or funerals will offer additional remuneration.

Attendance and Renewal

The strength of the choir benefits significantly from the consistency of singing together and forming a cohesive musical and social group. A full list of services at which Choral Scholars are expected to be in attendance can be found in this document. However, it is recognised that there will be occasions where you may need to request absence for other professional or personal engagements. It is not expected that Choral Scholars will take more than six services off during their tenure, unless approved by the Director of Music and in exceptional circumstances.

Choral Scholarships are tenable for one year and will only be renewed in exceptional circumstances.

Eligibility

Candidates for Choral Scholarships should have a confident singing voice and good standard of sight-singing ability. Enthusiasm for singing as a member of a team, together with a willingness to learn and develop their musical talent, will be determining factors in the appointment of Choral Scholars. The scholarships are open to those in full or part-time undergraduate or postgraduate study, recent graduates, or those at the beginning of their singing careers. Our Choral Scholarships are particularly aimed at bridging the gap between university- and professional-level choral experience.
